CONDIZIONI DI VENDITA

I prezzi indicati nel presente listino sono in euro e non comprendono :
I.V.A.

Trasporto La merce è resa franco fabbrica; pertanto la spesa e i rischi del trasporto sono a carico dell'acquirente.

Imballo Imballo standard compreso nel prezzo. Per eventuali imballi diversi dallo standard, chiedere sempre preventiva quotazione.

Ordini Saranno accettati solo ordini scritti e completi. Eventuali disdette degli ordini dovranno pervenire per iscritto entro 1 giorno dalla data di invio della nostra conferma d'ordine. Non verranno accettate disdette per ordini di apparecchiature fuori serie.

Consegna L'azienda si riserva il diritto di sospendere ed interrompere le consegne qualora si verificano inadempienze o ritardi nei pagamenti.

Reclami Devono pervenire per iscritto entro il termine massimo di 3 giorni dal ricevimento della merce. Nessuna restituzione di merce verrà accettata se non da noi preventivamente autorizzata; quelle autorizzate dovranno essere effettuate in porto franco.

Garanzia La garanzia è di 12 mesi dalla data di fatturazione. La garanzia non include i componenti elettrici, le parti in vetro, le tubazioni esterne, le parti avariate per trasporto effettuato con nostri mezzi o altri mezzi, per errata installazione o manutenzione, per insufficienza di portata o anomalia di impianti elettrici, idraulici o di erogazione del gas, per trascuratezza o incapacità d'uso, per manomissione o comunque per cause non dipendenti dal costruttore.

La garanzia è valida solo nei confronti dell'acquirente originario e non prevede la sostituzione dell'apparecchiatura.

Durante il periodo di garanzia ci impegniamo a sostituire quei pezzi che dovessero risultare difettosi all'origine e che dovranno esserci spediti in porto franco, accompagnati da bolla di reso indicante il n° di fattura e di matricola dell'apparecchiatura a cui il pezzo appartiene. La garanzia non comprende i costi relativi alla sostituzione dei pezzi difettosi.

Per qualunque controversia sarà competente il foro di Treviso.

L'azienda si riserva il diritto di apportare, senza obbligatorietà di preavviso, tutte le modifiche che si rendessero necessarie al continuo perfezionamento della sua produzione e del relativo listino.

TERMS OF SALE

The prices in this price list are meant in euro and are not including :
V.A.T.

Delivery The goods shall be delivered ex-factory; transportation costs and risks shall consequently be born by the purchaser.

Packing Standard packing is included in the price; for special nonstandard packing, kindly request a quotation in advance.

Orders Only written, complete orders shall be accepted. Only order cancellations shall be made in writing and sent within 1 day from the date our order confirmation has been sent.

Cancellations of orders for custom-made appliances will be not accepted

Consignment The company reserves the right to suspend and stop consignments in the event of non-fulfilment or delay payments.

Complaints Any complaint shall be made in writing and sent within 3 from receipt of the goods. Returned goods shall not be accepted unless duly authorised by us in advance. Authorised returns shall be delivered to us carriage free.

Warranty The warranty is valid for 12 months from the invoice date. The warranty does not include electrical components, glass parts, external pipes and all accessories. The warranty shall not cover any parts damaged during transportations on our vehicles or on others, or due to bad installation or maintenance, to insufficient current capacity or abnormal electric, hydraulic, gas supply systems, to bad or insufficient operating capacity, to tampering or any other causes not depending on the manufacturer. This warranty shall be valid exclusively for the original purchaser and does not contemplate replacement of the appliance. During the warranty period, the manufacturer shall replace those parts which are proven to be defective from the origin and which must be delivered free our plant together with delivery note quoting the invoice number and serial number of the appliance to which the component belongs. The warranty does not cover costs related to the replacement of defective parts. Any controversy shall be settled by the Court of Trevis
The company reserves the right to modify its production or its price list without informing its customers in advance.
